KENNEDY WINS NOMINATION IN FIFTH DISTRICT

Defeats William R. Palmer of Oxford at Convention in Litchfield.

Litchfield, Oct. 5.—State Central Committeeman William R. Palmer of Oxford was defeated by ex-Congressman William Kennedy of Naugatuck in the democratic convention of the Fifth Connecticut District held here today. Kennedy was nominated for Congressman on the second ballot, after he had received eighty-two votes on the first ballot against twenty-two for Palmer and sixteen for State Central Committeeman Frank E. Coe of Torrington.

Palmer did not develop the strength he expected to, and he lost the first skirmish when the committee on credentials seated that of the two contesting delegations from Torrington which was favorable to Kennedy, and also three delegates from Harwinton. The Torrington delegation consisted of six men.

Representative Eli D. Weeks of Bantam, chairman of the congressional district committee, called the convention to order. John S. Addis of New Milford was chairman and Patrick A. Marren of Derby, secretary.

IT'S YOUR LIVER! YOU'RE BILIOUS, HEADACHY, SICK

Don't stay constipated with breath bad, stomach sour or a cold.

Enjoy life! Live your liver and bowels tonight and feel fine.

Tonight sure! Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, breath offensive and stomach sour. Don't stay bilious, sick, headachy, constipated and full of cold. Why don't you get a box of Cascarets from the drug store now. Eat one or two tonight and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. You will wake up feeling fit and fine. Cascarets never gripe or bother you all the next day like calomel, salts and pills. They act gently but thoroughly. Mothers should give Cascarets to their children or feverish children a whole Cascaret any time. They are harmless and children love them.

Michigan Village Destroyed By Fire

Mendon, Mich., Oct. 5.—The village of Mendon, which has a population of 1,000, was virtually destroyed by fire yesterday. The blaze burned 39 buildings before it died out. The loss is about \$250,000. There were no casualties. Many persons were without homes for extra clothing today.

When the fire started the volunteer fire department responded to the call but in hurrying their steamer to the fire it broke away from them and rolled down a bank into the St. Joseph river. The city was without fire defense until apparatus arrived from Kalamazoo and other cities.

Brewer, Shot By Girl Dies of His Wounds

Cincinnati, Oct. 5.—Alfonso Wetterer, 49 years old, vice-president of the Wetterer Brewing Company of this city who, it is believed, was shot by Helen Houck, at the latter's home on Walnut Hill last night, died at the city general hospital early today. Miss Houck was found dead with a bullet hole in her temple.

Miss Houck left a note to her sister, Alice Houck, which the police on Coroner Fortmeyer said indicated that she shot Wetterer and then herself. The note left by Helen Houck stated that she had been keeping company with Wetterer for several months and that he had wronged her.

Helen Houck was the divorced wife of William Everhardt, formerly of Norwood, a suburb of Cincinnati, but now residing in Colorado.
